PROFESSIONAL SUMMARY

Highly organized Virtual Assistant with 3+ years of experience supporting client communication, chat operations, and administrative workflows. Strong in written communication and reading comprehension, with proven ability to manage high-volume inquiries, prioritize tasks, and maintain accuracy under pressure. Converted chat leads into paying clients while consistently meeting monthly targets, and supported fast-paced teams through reliable, detail-focused execution. Known for discretion, adaptability, and dependable follow-through — with a proven track record of achieving an 80% lead conversion rate in a high-volume chat sales role and growing a client's social media presence from zero to 300+ followers in under 2 months, all while managing operations remotely across multiple tools and platforms.

KEY SKILLS

Administrative Support | Inbox & Chat Management | Written & Verbal Communication | Reading Comprehension | Calendar & Task Coordination | Time Management & Prioritization | Client Support & Issue Resolution | Attention to Detail | Multitasking in Fast-Paced Environments | Discretion & Confidentiality

PROFESSIONAL EXPERIENCE

Chat Sales Specialist

Starly Inc. | January 2026 – March 2026

- Converted cold inbound chat leads into paying clients by managing 2–3 distinct personas simultaneously across every 8-hour shift, achieving an **80% cold-to-hot lead conversion rate** consistently
- Handled a minimum of 5 active conversations at a time while maintaining fast response times and accurate client information tracking, ensuring no lead was lost across multiple personas
- Adapted tone, messaging style, and sales approach in real time based on customer behavior — guiding conversations from cold inquiry to purchase decision and generating **\$1,200+ in revenue per individual client conversion**

Social Media Manager

Kōhii Coffee | January 2026 – Present

- Built the café's Facebook business page from zero — including brand kit, page structure, and content strategy — growing the account to **300+ followers in under 2 months** without paid ads
- Organized and maintained a content calendar using Notion, scheduling **7–14 posts per week** and tracking deadlines to ensure consistent publishing without gaps or missed dates
- Automated post scheduling and comment responses using GoHighLevel, increasing content consistency and reducing manual engagement effort
- Designed cohesive brand visuals, post templates, and story graphics using Canva, Photoshop, and CorelDraw, improving visual consistency and audience engagement across all platforms

Shopify Store Operations Support

ThriftBuddies | October 2025 – April 2026

- Architected a Shopify store from scratch — including product uploads, theme setup, and collection organization — delivering a structured and browsable shopping experience without owner involvement
- Uploaded and optimized **10+ thrift shoe products** with complete descriptions, categorization, and inventory layout, ensuring accurate and customer-ready product listings
- Tracked order flow and inventory management using GoHighLevel to simulate backend e-commerce operations, maintaining smooth day-to-day store functionality

Graphic Layout Artist

Pixel Art Graphix | January 2025 – April 2025

- Produced social media graphics, banners, and promotional materials aligned with brand guidelines, supporting marketing campaigns consistently across digital platforms
- Translated client design briefs into print-ready and digital assets, achieving **client approval within 1-2 revision cycles** and reducing back-and-forth turnaround

Chat Moderator | Customer Service Representative | Technical Support Representative

BrandlessPH Digital Marketing | February 2024 – October 2025

- Moderated high-volume Discord and Telegram communities of **50,000–150,000 members per server**, managing 3–5 communities simultaneously during every 8-hour shift without compromising quality
- Responded to **200+ messages per shift** while maintaining accuracy, clarity, and consistent tone, ensuring every community member received reliable and professional support under high-pressure conditions
- Enforced strict company SOPs to sustain a **sub-5-minute response time**, providing real-time support and keeping active users engaged and issues resolved promptly
- Resolved customer and technical support inquiries via chat and email on first contact whenever possible, escalating complex cases efficiently to minimize resolution time and maintain user satisfaction

Graphic Layout Artist

T3 Works Graphics and General Merchandise | April 2022 – December 2024

- Created marketing and promotional designs using Photoshop, CorelDraw, and Canva, maintaining consistent branding across both print and digital outputs
- **Cut turnaround time by 20%** by developing reusable design templates and streamlining layout production workflows, increasing team output efficiency
