PROFESSIONAL SUMMARY

Highly organized Virtual Assistant with 3+ years of experience supporting client communication, chat operations, and administrative workflows. Strong in written communication and reading comprehension, with proven ability to manage high-volume inquiries, prioritize tasks, and maintain accuracy under pressure. Converted chat leads into paying clients while consistently meeting monthly targets, and supported fast-paced teams through reliable, detail-focused execution. Known for discretion, adaptability, and dependable follow-through. Proficient in Canva, Photoshop, ChatGPT, and remote collaboration tools.

KEY SKILLS

Administrative Support | Inbox & Chat Management | Written & Verbal Communication | Reading Comprehension | Calendar & Task Coordination | Time Management & Prioritization | Client Support & Issue Resolution | Attention to Detail | Multitasking in Fast-Paced Environments | Discretion & Confidentiality

PROFESSIONAL EXPERIENCE

Chat Sales Specialist

Starly Inc. | January 2026 – March 2026

- Converted inbound chat inquiries into paying clients through personalized, trust-based conversations, consistently meeting monthly sales targets
- Managed high-volume chat interactions daily while maintaining fast response times and accurate client information tracking
- Adapted messaging in real time based on customer behavior, improving conversion consistency across cold and warm leads

Chat Moderator | Customer Service Representative | Technical Support Representative

BrandlessPH Digital Marketing | February 2024 – October 2025

- Managed fast-paced Discord and Telegram communities with **50,000 to 150,000 members per server**, supporting 3–5 communities simultaneously during 8-hour shifts
- Responded to **200+ messages per shift** while maintaining accuracy, clarity, and consistent tone in high-pressure environments
- Maintained **less than 5-minute response** time following strict company SOPs, ensuring real-time support for active users
- Handled customer and technical support via chat and email, resolving issues on first contact whenever possible and escalating complex cases efficiently

Graphic Layout Artist

Pixel Art Graphix | January 2025 – April 2025

- Designed social media graphics, banners, and promotional materials aligned with brand guidelines, supporting marketing campaigns across digital platforms
- Collaborated with clients to translate design briefs into print-ready and digital assets, achieving consistent approval within 1–2 revision cycles

Graphic Layout Artist

T3 Works Graphics and General Merchandise | April 2022 – December 2024

- Created marketing and promotional designs using Photoshop, CorelDraw, and Canva, maintaining consistent branding across print and digital outputs

- *Reduced turnaround time by 20% by developing reusable templates and streamlining layout production workflows*

Social Media Manager (Self-Directed)

Personal Projects | 2025 – Present

- *Managed personal Facebook, Instagram, and LinkedIn pages, creating and scheduling content aligned with audience engagement strategies*
- *Designed graphics using Canva, Photoshop, and CorelDraw to maintain consistent branding across all platforms*
- *Automated posting and comment responses using GoHighLevel, improving content consistency and engagement efficiency*
- *Created content using AI tools (ChatGPT, Claude, Gemini) for ideation, captions, and post optimization*
- *Set up Facebook Ads campaigns including audience targeting, structure, and creative preparation for upcoming live launch*

Ecommerce Project (Self-Directed – Shopify Store)

2025 – Present

- *Built a Shopify test store from scratch, including product uploads, theme setup, and collection organization for structured browsing experience*
- *Uploaded **10+ thrift shoe products**, managing product descriptions, categorization, and inventory layout*
- *Tracked orders and inventory flow using GoHighLevel to simulate basic ecommerce operations and backend management*
